

WORLD OF RADIO #1241, produced August 11, 2004 by Glenn Hauser

- *WRMI frequency change to 6870 delayed so WOR UT Mon 0230 has remained on 7385; surely done by mid-August
- *AFGE Local 1812 says VOA management stifles comprehensive news: new order to limit news items to 40 seconds, and eliminating Middle East and National news desks; reducing English to 13 hours per day on weekdays, 10 on weekends
- *FBO Daily reports that USN Air Systems Command requires transmitters for new Commando Solo aircraft EC130J
- *Hurricane Watch Net finally activated on 14325-USB <http://www.hwn.org>
- *CBC Toronto testing new 98.7, probably to duplicate CJBC 860 with French network; MW also duplicated in Saskatchewan cities on FM
- *Impact of Olympics on webcasting: CBC Radio says their rights do not extend to streaming; CBC on-demand already edits out all music, even themes
- *BBC World Service will not have blanket embargo of Olympics like last time, but major news programmes will not be webcast since they might include live event commentary; special Sports Roundup for webcast without live commentary but with results. BBC7 and BBCR3 not to be cut off
- *NOS in Holland will carry 2000 hours of live Olympics coverage on website, making full use of net along with TV rights
- *V. of Greece has suspended all foreign language broadcasts for duration but has special English page <http://www.ert-olympics.gr> [beware: music launches automatically]
- *Last longwave in Italy, 189 kHz in Sicily, closed since August 7
- *France revives MW with another high-power, on 675, Radio Superloustic in Marseille, since August 8; sounds like 1/4 of full 1000 kW
- *One watt temporary RSL station commemorating Radio Caroline on 1278 kHz since August 7, from Ross Revenge [in Tilbury, England] <http://www.radiocarolinesales.co.uk> And even heard in Belgium
- *RFE/RL's plan for new building in Prague awaits funding approval not before FY 2006 in October 2005; no boat-rocking during election year
- *Another 9290 Latvian broadcast: Offshore Music Radio commemorates Marine Offences Act, Sat Aug 14 1400-2000 UT; in addition to webcast <http://www.offshoremusicradio.com>
- *V. of the Broad Masses of Eritrea well heard in Germany on 7100 at 1730-1830, but not on 7175; no longer clandestine
- *Sam Voron, VK2BVS, currently active as 600A, from Galkaayo, Somalia, 18155, 21295 0500-0600, 1100-1400, 1800-1900 but not interested in QSLing
- *Paul, ST2PN, active from Khartoum, Sudan, 18122-18130 1230-1500
- *Israel Radio's expected time change for English delayed until further notice; schedule reconfirmed August 10: 0400 11590 15640; 1010 15640 17535; same two also at 1700, 1900, plus 1700 9435; 1900 15615
- *Standard disclaimer
- *Via kHz, MHz, GHz, and not applicable, this is World of Radio 1241,
